Sir;

At about 2:25 this P.M. and this date I was walking East on Huron Rd. I noticed two colored men standing at the corner of Huron Rd and Euclid Ave. I noticed one of these men would leave the other and walk West on Huron Rd, He would kind of slow his walk and look into the United Air which is located at 1276 Euclid Ave but has a rear entrance on Huron Rd. He would then continue to walk West on Huron Rd and stop and then as he came east again he would pause and again look into the United Air Lines. When he came back to Huron Rd and Euclid he would talk to the other colored man and the other man would take the same walk and do the same as the other man pausing in front of the United Air Lines. During the time I was watching them they made about three trips each. While they were together at the corner I saw a white man who came ~~from the~~ east on Huron Rd stop and talk to these two colored men and after he left them, he walked west on Euclid Ave. I could not see him after he left these men and can not say where ~~ex~~ he went or what he did. About five minutes after this white man left the corner these men also left the corner of Huron Rd and ~~xxx~~ Euclid Ave and went West on Euclid Ave In front of 1120 Euclid Ave Zuckers Store for men these two colored men met the white man again and they stopped and talked. At this point I approached these three men and informed them I was a police officer and told them to keep their hands out of their pockets. Baretta - cal.9 Corte- M.1934 Brevat- Cardone V.T. 1941 xlx serial No. 897012. One bullet was in the chamber 6 bullets in the clip.

On searching Richard D Chilton age 32 of 1616 Lotus Dr found a 38 cal revolver loaded with 5 bullets Name Hopkins and Alan Mfg Co Pt, Jan 5 -58 X- L Double action Found this gun in the right hand front pocket of the topcoat Chilton was wearing. Serial No 5209
