The court held a telephonic status conference with counsel for parties in the within case on March 22, 2017, at 9:30 a.m., regarding the status of the parties' efforts to resolve the case. The parties appeared to reach an agreement in principle on all issues in the case except attorney's fees. If the parties resolve all issues, they will file a written agreement with the court by April 19, 2017. If no agreement and dismissal entry has been submitted to the court by April 19, 2017, the court will hold a telephonic status conference on that date at 3:00 p.m.
